

2023 Alumni Reunion Weekend App Download Instructions

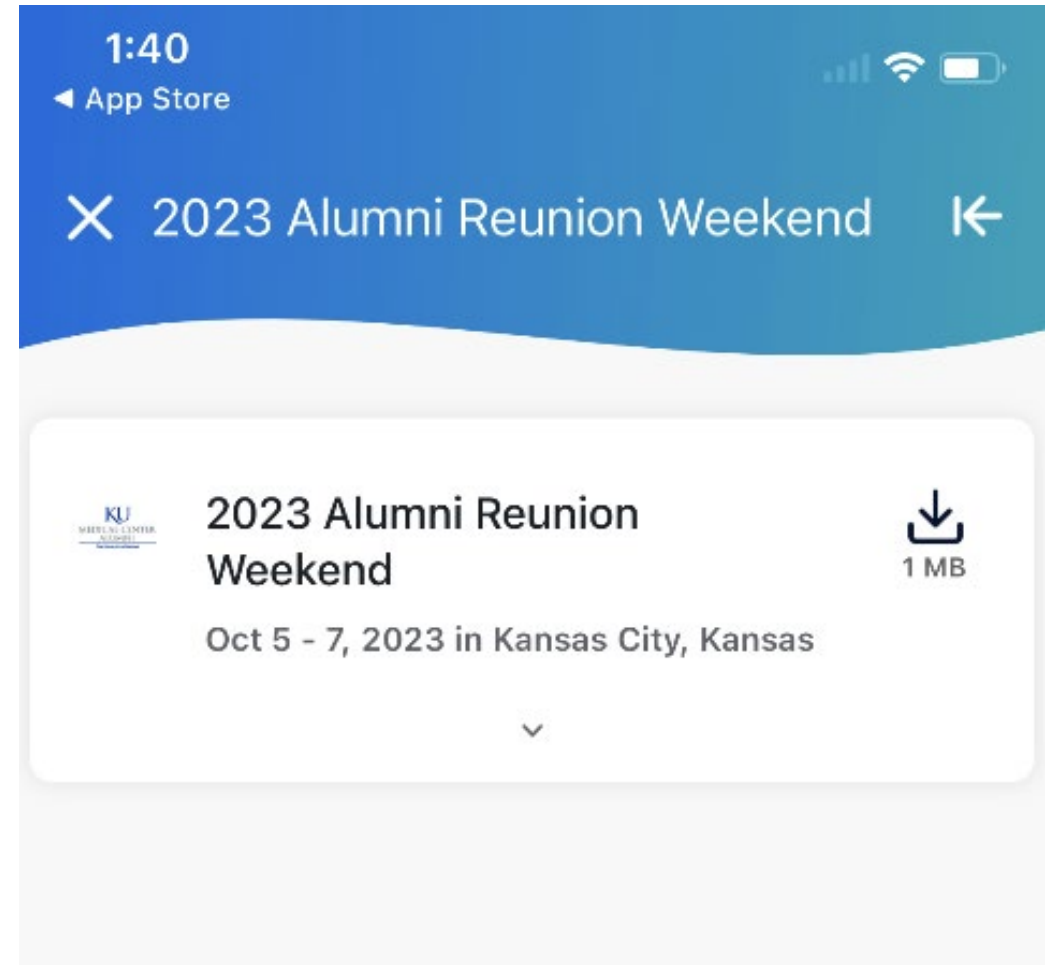

Step 1: Scan the QR code using your Android or iPhone

- After scanning the code, you will be taken directly to the Cvent application page in the [App Store](#) or [Google Play Store](#), depending on your device type.
- If prompted, select “Get the App.”

Step 2: Open the app & search for the event

- Open the app and enter “2023 Alumni Reunion Weekend” into the search bar.
- Click the download button to the right of the title.

Step 3: Login & verify your account

- Enter your first name, last name and the email address you provided during registration for Alumni Reunion Weekend.
 - This will be the same email address that received the registration confirmation email.
- After entering your information, you will be prompted for a verification code. This code will be sent to you via text message and email.
 - Those registered as guests will only receive a verification code via the guest email that was provided when registering.

Step 4: Success!

- You've successfully logged in and should see the app homepage.

Step 5: Update your preferences

- If it's the first time you've logged in to this year's app, be sure to upload a profile picture and update any of your privacy settings.
- Start by clicking the person icon in the lower right.
- Click "view profile"
- Add your photo and choose your visibility settings by selecting the pencil in the upper righthand corner.

Step 6: Get connected and prepare for 2023 Alumni Reunion Weekend!

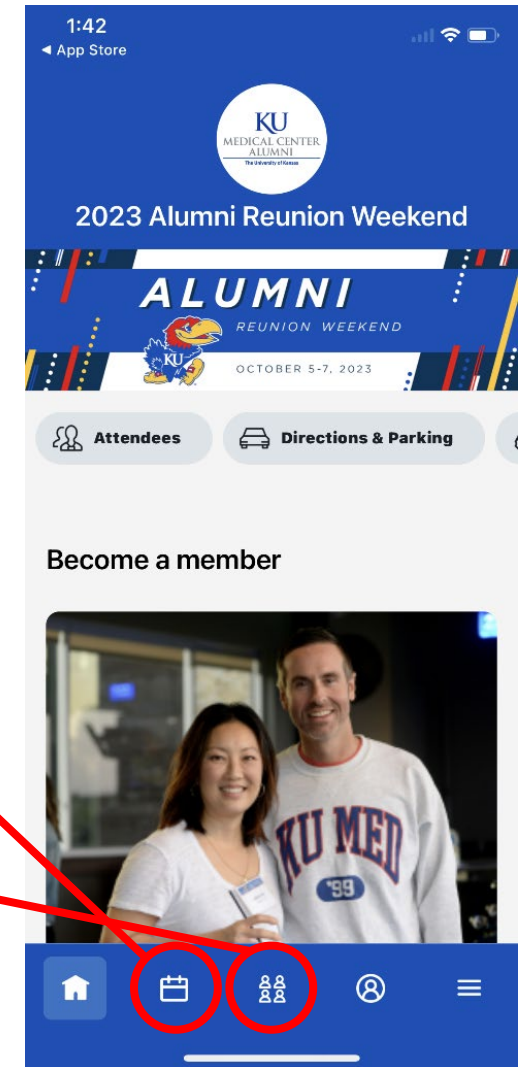

- Connect with fellow attendees, review your personal schedule, see parking and campus maps, attend a virtual anatomy tour and more!

See who else is attending and start chatting with other attendees.

You can message individual attendees or chat publicly in the group discussions.

There are special discussion boards set up for each school and 50-year reunions.

View your personal schedule.
